ORDER FORM

CONTINUING AUTOMOTIVE SERVICE EDUCATION ACCREDITATION PACKET

To begin the accreditation process, the training provider must purchase an application packet. This packet consists of two pdf files: the *Standards and Guidelines for Accrediting Providers of Continuing Automotive Service and Education*, and the *Application*. The Application is a writeable pdf document used by the training provider to demonstrate how their training organization meets the standards for continuing automotive service education.

As a benefit of membership, ATMC member organizations may receive the application files for free. All other fees and expenses associated with accreditation still apply.
